Welcome to Pacific Shores Medical Group,

Please take a few minutes to review this letter and the enclosed patient information brochure.

1. Please complete the **Patient Information Form, Initial Patient Evaluation Form** and sign the **Authorization for Release of Information Form**. Please write as clearly as possible.
2. Please read carefully the **Notice of Privacy Practices**, initial each page where indicated, and sign the **Privacy Practices Acknowledgement Form**.
3. Please complete the **Eligibility Waiver Form**.
4. Please fill out the **Medication New Patient Form**. Please bring all your medications with you to your appointment. It is important for us to be able to access the following medical records at your first visit:
 - a) Surgical and pathology reports relevant to your consultation with us
 - b) Relevant recent x-rays and scan reports
 - c) Recent history and physical or consultation reports
 - d) Most recent laboratory reports
 - e) Any other records pertaining to the reason you are being referred to us for
 - f) evaluation

You can obtain these records directly from your doctor or hospital and bring them to your first visit along with the enclosed forms.

We look forward to seeing you!
